

Jonathan Gove Memorial Scholarship Fund

16th Annual Jonathan Gove Memorial Scholarship Golf Event

Dear Potential Sponsor,

On June 11, 2004 Jonathan Gove lost his life in a tragic automobile accident. In Jonathan's short time here, he made a tremendous impact upon each of us with his thirst for knowledge, his abilities, his goal setting and most of all, his contagious and infectious smile. He was, and remains, an incredible young man and is sadly missed each and every day. We would like to celebrate his life and keep his memory strong. In 2004, Jonathan's family established the Jonathan Gove Memorial Scholarship Fund, a 501C non-profit organization.

The **16th Annual Jonathan Gove Memorial Golf Tournament** will be held **August 9th** at Green Meadow Golf Course. Due to the generosity of so many, like yourself and successful golf events, the foundation has awarded \$138,000 and plans to award additional \$10,000 this year in one-year scholarships for students to pursue their academic endeavors.

We would like to personally ask for your participation and support of this most worthwhile benefit to make this the best event yet.

Without the help of businesses and organizations the overall success of this benefit event would be greatly diminished. The proceeds from this event will continue to provide education and scholarship funds to Alvirne High School students (Jonathan's alma mater) in pursuit of their college degrees. Every single penny after expenses will go to this scholarship fund. Each recipient, the entire Gove family and friends truly appreciate your generosity.

Attached you will find a sheet outlining the various levels of sponsorships as well as an application for your participation as a golfer in the event itself. Help us keep Jonathan's light burning bright and participate in what we anticipate to be a wonderful event.

Thank you for your consideration and continuous support.

Sincerely,

June, Les, Megan and Jonathan, family and friends @
