

THANK YOU for YOUR SUPPORT

Jonathan lost his life in a tragic automobile accident at the age of 23. The name Jonathan means "a Gift of God" and he truly was. We have certainly been blessed by sharing Jonathan's short life. He was an inspiration to so many. His consideration and thoughtfulness were just a few characteristics of Jonathan's that touched us all. He always went out of his way to include everyone with his enthusiasm, dynamic smile and that twinkle in his eye.

Jonathan graduated from Alvirne High School, class of 1999. He received the following degrees: an Associate of the Arts (2001) Horry Georgetown, Bachelor of Arts/ Bachelor of Science in Finance (2003) Coastal Carolina University in Myrtle Beach, SC, and his MBA from Southern NH University.

Being the independent and enthusiastic individual Jonathan was, he worked part time during high school and full time during college, as well as being a member of the Coastal Carolina Accounting and Finance Clubs, to name just a few of his endeavors. He never sat idle. Jonathan's life was full of activities from fishing, golfing, water skiing, knee boarding, swimming, boating, snow boarding, bowling and basketball to going to the gym to "bulk up", as well as sharing quality time with his family and friends.

Jonathan was appreciative for all the experiences he was given and never took them or the people responsible for granted. He took these experiences and grew as a person.

Family and friends created the foundation in honor of Jonathan's memory and to ensure that his spirit and drive for academic success will live forever. Jonathan was very goal oriented. His determination and motivation to achieve the most from his education, employment, family and friends are qualities the foundation will strive for.
